

REMARKS

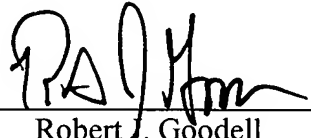

This Preliminary Amendment is being filed concurrently with a Divisional Application Request. Claims 1-7 have been cancelled and new claims 8-12 added to provide Applicants with a more complete scope of protection and to place the application in better form for allowance. Claims 1-7 have been cancelled as being directed to an invention that is the subject matter of another application. Thus, claims 8-12 are submitted for examination in the present divisional application.

It is respectfully submitted that no new matter is introduced by this Preliminary Amendment.

If there is any fee due in connection with the filing of this Preliminary Amendment, please charge the fees to our Deposit Account No. 50-0310.

Respectfully submitted,
